YOUTH COMMISSION PLAYScheme – Summer 2022

The programmes for Playscheme always involve some offsite activities to enrich and support the aim of providing fun and enjoyment for the children. All Youth Commission offsite activities follow a system of approval, which requires risk assessment. Appropriate staff training is a part of this approval process. Most of the visits will be of a general 'every day' family type of activities such as local walks, visits to the park, a beach or local places of interest.

Your child may also get the opportunity to participate in more adventurous activities such as archery, kayaking, climbing, swimming or perhaps a visit to Herm Island.

- I consent for the named child participating in all activities
- I consent for my child to take part in swimming
- I consent to photos being taken

I have read and understood the terms stated in the Conditions of Playscheme and have fully completed all sections of this form.
